

Deep Cycle

Flow with the Cycles

Everything in nature, everything in the universe is developing, moving and working in cycles! Just think of the sun rising and setting every day, how the moon phases influence the tides of the ocean or the change of seasons in a year. Everything is interconnected; nature seeks harmony on every level. There are key elements that must be in place to flourish and adapt to the ever-changing and developing universe around and inside of us.

These frequencies are called "informational highways" that are designed to bring you in coherence with yourself and with nature.

The Deep Cycle program group was designed with the purpose to help you flow with the various cycles in your life and to help you adapt to changes, both within yourself and in the outside world.

Interconnected, Inseparable & In Harmony

The Deep Cycle program group includes frequencies and harmonics derived from nature, from our planet, from the sun as well as fundamental cosmic frequencies that connect you to the earth and the basic resonances of the atmosphere and surrounding planets.

Like the cycles in the universe, the cycles of the Earth or those within your body, some of the most valuable Healy applications are designed in the form of cycles.

Deep Cycle is designed to:

- Help you flow with the various cycles in your life.
- Help you adapt to changes within yourself and the outside world.
- Help you achieve the state of being in harmony on every level.

Deep Cycle by Jan Fredrik Poleszynski

Deep Cycle was created by Jan Fredrik Poleszynski, who runs the Uno Vita - Klinik for Integrert Medisin (Integrated Medicine Clinic) and is the result of around a decade of research and application.

Poleszynski's experience in microcurrent frequency applications including harmonics goes as far back as 2009. Deep Cycle builds on the popular Gold Cycle by Nuno Nina and can very effectively be used in conjunction with it.

Notice: "Individualized Microcurrent Frequencies" („IMF") is a proprietary technology of Healy World. It uses the data from a physical noise generator to assign a priority to frequencies that professional user experience indicates have the highest relevance for the user.

The duration, frequencies, intensity, frequency, naming, and the descriptions of the Individualized Microcurrent Frequency (IMF) programs are based on the practical experience of Nuno Nina and other experts and our understanding of the interaction of frequency modulated microcurrent with the Bioenergetic Field. They have not been confirmed by independent studies.

The Healy Individualized Microcurrent Frequency (IMF) programs are designed to support wellbeing through harmonization of the Bioenergetic Field. We have conducted unblinded before/after surveys in controlled and randomized groups of participants. These surveys suggest that the participants' wellbeing was higher after the application. We attribute this to the harmonization of the Bioenergetic Field, which we refer to as the energy flow of life, traditionally also called chi (or qi) and prana. This has not been confirmed by independent studies.

The Individualized Microcurrent Frequency (IMF) programs of the Healy device are not medical applications. They are not intended to cure, treat, mitigate, diagnose, or prevent any disease or medical condition. The terms used in the programs do not constitute statements concerning their effects.

The purpose of the programs is to provide the user with a tool to explore application options. Healy programs should not be treated as a substitute for professional medical advice, diagnosis or treatment. You should always seek such advice from a qualified medical professional. If you have or suspect you may have a medical condition, or if you are under the care of a healthcare practitioner, you should consult your practitioner before using Healy.
